Kuo-Wei Wu

One World
One Internet

Current and Recent Activities

- The Committee originated from Board's desire to provide strategic direction to sustain and enhance the many external relationships ICANN was involved in
- The Committee met via teleconference in February and in person in March

Current and Recent Activities

- Review and enhance strategies, policies and guidelines relating to strategic relationships between ICANN and other entities (regional, technical, governmental)
- Assist Board in developing IANA contract renewal objectives and strategy

Current and Recent Activities

- Assess policies and procedures governing ccTLD IDN fast track applications
- Develop criteria and guidelines for ICANN entering into Memorandum of Understandings
- Oversee strengthening of Global Partnership team and regional engagement

Thank You
